

Dear Hewlett Packard (HP) families,

The Eureka Schools Foundation invites you to make use of HP's corporate match program and amplify the benefit of your donation to ESF. **Here's how:**

- Access "The Giving Station" link, located on your HP corporate (internal/"intranet") website.

- Select "Suggest A Charity" from the left pane. While there is not a discrete choice for ESF at the site, use the "write-in" space - and please enter "Eureka Schools Foundation."

For the required organization information, it is listed at ESF's matching grant web page at: <http://www.eurekaschoolsfoundation.org/matching-grants>

Thank you!
