# FUND RUN

Funding Education with the Eureka Schools Foundation

## SPONSORSHIP OPPORTUNITY

The Eureka Schools Foundation's 2nd Annual 5K FUND RUN is back by popular demand! Nearly 700 runners and walkers registered for this event in its inaugural year and, given its great success, we look forward to an even larger attendance this year. Attracting not only our local families but also running enthusiasts from around the greater Sacramento area, this event offers excellent publicity opportunities for local businesses. In addition to promoting a healthy active lifestyle, the 5K FUND RUN provides a fun community event that benefits education in our community.

The Eureka Schools Foundation invites you to participate as a sponsor in this unique event that brings parents, educators and members of the community together to support the needs of local public schools — A winning partnership!

ESF preserves programs and resources that are essential educational building blocks.
