CONTEST WINNER

Konrad Shepherd, a 6th grade student at Eureka School won this year's Country Faire Logo Contest. His colorful picture, shown here, was selected out of hundreds of entries and will be featured on the Country Faire t-shirt and marketing materials. Congratulations, Konrad!

The Eureka Schools Foundation is gearing up for another rip-roarin' good time at the Eureka Country Faire. Carnival games, bounce houses, bungee jumping, pony rides, train rides, crafts, a petting zoo and live music are just some of the fun things in store for you. Add in a delicious array of tantalizing treats, fun shopping at our market vendor booths, and the return of our stick-to-your-ribs dinner, sponsored by Back Forty Texas BBQ, and you've got the perfect family day in Granite Bay!

5K KICKS OFF COUNTRY FAIRE

Our 1st annual 5k Fund Run is an exciting new way to kick off our Faire. Attracting local families and running enthusiasts from around the greater Sacramento area, this event promotes a healthy active lifestyle and provides another opportunity to raise much-needed funds for our schools.

Starting and ending at the Granite Bay High School stadium, runners can enjoy a pleasantly challenging course through Granite Bay and plenty of fun at the finish line. Kid Sprints are available for kids 10 and under. Best of all, you'll end the race right in time to join your friends and family at the Eureka Country Faire, which takes place at Feist Park.

Entrants can register online at www.eurekaschoolsfoundation.org or send in registration forms found in your child's Wednesday folders.
