Dear parent,

The Eureka Schools Foundation is capturing photographs and video footage about the foundation and the programs and teachers it funds within the Eureka Union School district for the benefit of the students in this district. We will use the captured student photographs and video footage for marketing purposes including school events, community town hall meetings and we may also use the captured footage in video clips on our website.

We'd like your permission to include your child in the captured footage. If you give ESF your permission, please complete the form below and return it to your child's teacher as soon as possible. For junior high students, please return the permission slip to the teacher's class where the student received this form. Thank you so much!

***Photo/ Video Footage Release Form***
