Annual Community Support Campaigns

Wells Fargo matches individual team members' financial contributions to schools dollar-for-dollar, up to \$6,500 per person, per year. In 2007 Wells Fargo matched \$7.9 million in donations, up from \$6.5 million in 2006.

Each year Wells Fargo team members raise money for the nonprofit of their choice, including United Way, during our community support campaign. Since 2002, Wells Fargo team members have pledged \$130 million through the campaign.

The Eureka Schools Foundation invites you to make use of Wells Fargo's corporate match program and amplify the benefit of your donation to ESF. **Here's how:**

- Access your Wells Fargo internal "intranet" website.
- While there is not a discrete choice for ESF at the site, use the "write-in" space - and please enter "Eureka Schools Foundation" and follow your company's directions to set up your corporate match.

For the required organization information, it is listed at ESF's matching grant web page at: <http://www.eurekaschoolsfoundation.org/matching-grants>

Thank you!
